RECOGNITION OF PRIOR LEARNING (RPL)

RPL means you can gain qualifications simply through providing evidence of relevant knowledge and skills you have gained through previous work. This means you don't have to waste time studying what you already know. If you believe you already have the knowledge and skills to achieve this qualification we encourage you to apply for Recognition of Prior Learning.

RPL is a simple process with OPEC College and works like this:

Step 1	Step 2	Step 3	Step 4	Step 5
Free skills assessment	Evidence portfolio	Evidence review	Training	Qualified!
Fill out our pre-assessment form and we'll give you the guidance you need for the next steps to achieving your career goals.	With our help, gather evidence, e.g. current resume, reference letters, examples of work completed, to prove your prior skills and knowledge and submit it online for our assessors to review.	After we've assessed your evidence portfolio we'll contact you for competency conversation and a practical observation if required.	Fill in any gaps in your prior learning and achieve greater qualifications through our online training courses.	Your new certifications are Nationally Recognised and issued by our Registered Training Organisation (RTO). You are now ready to pursue your new career and greater opportunities!
